

## **St. Peter Lutheran School Mission**

St. Peter Lutheran School is committed to preparing students for a Full Life in Christ by engaging them with a comprehensive, Christian education.

### **VISION**

St. Peter Lutheran School will become a vibrant learning community that is Christ centered, family oriented and simply unparalleled.

### **CORE VALUES**

1. **To Cultivate Christian Values and Lifestyles** where students are empowered and inspired to lead a full life in Christ
2. **To Provide an Academically Rigorous and Inclusive Education** that connects the church, school and families in a collaborative learning environment
3. **To Foster and Maintain a Safe Environment** that nurtures students to grow not only academically, but physically, emotionally, spiritually and socially which includes a rich array of extracurricular activities
4. **To Prepare Students for All Aspects of Life beyond St. Peter** by developing their leadership, communication and management skills for a global workplace while encouraging them to be service oriented

## **St. Peter Core Athletic Objectives**

While fully embracing and operating under the values of our Church and School, the Saints Athletic Program pursues its mission by adhering to the following core objectives:

1. To help student-athletes grow in their relationship with Christ while teaching them to accept responsibility, serve the need of the team, and demonstrate respect in a Christ-like manner. **(Ephesians 3:17-19)**
2. To provide the coaches, players, and spectators alike an opportunity to witness for Christ through athletic events by word and action. **(Matthew 5:14-16)**
3. To allow student-athletes to use their physical gifts in sport to God's glory while encouraging lifelong wellness and proper social interaction. **(1 Corinthians 6:19-20)**
4. To provide competitive situations that facilitate goal setting, appropriate emotional growth, and proper response in times of adversity and triumph. **(James 1:2-4, Philippians 2:3-8 & 3:13-14)**

## **“The Next Play Mentality Initiative”**

***Philippians 3:13-14 “...forgetting what is behind and straining toward what is ahead, I press on toward the goal to win the prize for which God has called me heavenward in Christ Jesus.”***

St. Peter Lutheran School has a duty to assure that the athletic program imparts important life skills and promotes the development of good character as a Christian institution and as a member of the NWSLC, MSMSAC, IESA, and LSA. At all practices and athletic contests, coaches, players and parents are expected to emphasize and model the proper ideals of sportsmanship, ethical conduct and fair play as we are all to be an example of Christ.

***Ephesians 5:1-2 - “Follow God’s example, therefore, as dearly loved children and walk in the way of love, just as Christ loved us and gave himself up for us as a fragrant offering and sacrifice to God.”***

With this in mind, St. Peter embraces the **Next Play Mentality (NPM) Initiative**. When one considers the complaints or displays of bad behavior or inappropriate comments, we would agree that this happens over a play that has already occurred. The coach vehemently disagrees with a call and receives a technical over a play that has already happened. A player displays visual disgust in gestures and words that warrant a technical foul/red card/ejection over a play that has already happened. A parent or fan screams their displeasure at an official over a play that has already happened. All of this displays behavior inappropriate for constituents of a Christian institution, or of any institution. When we inappropriately react to a past play, we waste energy over a play which cannot be redone or a call which cannot and will not be changed. This is an inefficient use of time as we, coaches, players and parents, miss out on being positively involved in the NEXT play, which is what we can control. We can positively impact the next play, but will never do so when complaining or displaying disgust from a previous play. So we must engage the Next Play Mentality and when we do our modeling of true sportsmanship, a Christ-like behavior will emerge.

***1 Thessalonians 5:11- “Encourage one another and build each other up.”***

\*The NPM Initiative was adopted and used with permission in collaboration with Prince of Peace Christian School, Carrollton, TX (Earl W. Garland – AD) and Our Redeemer Lutheran School, Wauwatosa, WI (Jamie Kohlmeier – AD).

*Morning Announcements, Weekly Friday Flyer, Weekly Middle School Madness Newsletter, E-mails from Coaches and Athletic Director*

*Game/Meet Cancellations will come directly from the Athletic Director via e-mail.*

### Conflict Resolution

- 2) *Athlete and Parent meet with the coach (Adhering to the 24-hour rule.)*
- 3) *Athlete, Parent, and Coach meet with the Athletic Director.*
- 4) *All parties meet with the Principal.*

24-hour rule – If a parent needs to speak to a coach regarding something that comes up or happens in a game, we ask that you wait at least a day after the competition to initiate that conversation. This allows anyone involved to step back from the situation, process it and then work toward a solution.

### **2:30 – 4:30 Athletic Study Hall (ASH)**

Any student-athlete who has a practice starting at 3:30 pm is eligible to stay in Extended Care until their practice starts **for a seasonal supervision fee (Fall - \$30 / Winter - \$50 / Spring - \$30)**. *On game days or when practices start later than 3:30, Athletic Study Hall will conclude at 4:30 and participants will be released either to their game or remain in Extended Care.* The supervision fee will be charged to each participant's tuition bill. All school policies remain intact during this time and any exceptions will be outlined by the Athletic Director and Extended Care Program Administrators in the Code of Conduct (back of athletic handbook). **All snacks must be chosen from the St. Peter Lutheran School Food List referenced in the school handbook.** Anyone staying in Extended Care will need to fill out a weekly or seasonal reservation form that will be e-mailed out to all participating families. *Students of families electing to make a seasonal reservation must check-in daily at ASH before attending other school related activities.* Athletes will be dismissed to their game or practice once a coach is present. Student-athletes are never allowed in the locker rooms without the presence and permission of a coach.

### **Booster Club**

The Booster Club is the parents group that helps support the athletic program through fund-raising activities, the selling of concessions, and the planning of tournaments. The Booster Club helps with the purchase of equipment and supports other major projects. All parents with children in the athletic program are encouraged to become active in the Booster Club by attending meetings, giving input, chairing committees, taking a leadership role, taking on a team representative position or serving at events. All parents will be requested to help in the concession stand at home games and provide volunteer support when their child participates in a specific sport season. The following events require a strong volunteer effort: FDM Cross Country Invitational, the Saints Shootout (Basketball), and the LSA (Basketball) Tournament.

Students will not be permitted to participate in their next sport until their uniform from the previous season is returned. The athlete may be charged the cost of a lost or damaged uniform.

### **Supervision & Transportation**

Supervision for student athletes is the joint responsibility of the coaches, parents, and athletic director. Supervision before, during, or after practices and games is primarily the responsibility of the coaching staff and the athletic director. The head coach is the official school representative and supervisor for away games and tournaments.

At the conclusion of an after school activity students will be escorted to the Bartz Hall entrance for pick-up. If no one is there to pick them up, they will be taken to Extended Care.

Parents are responsible for arranging transportation for their children to and from activities. It is not the responsibility of coaches or coordinators to arrange transportation for students. (Refer to the back of your athletic handbook for a school directory for away games.)

On overnight trips, each student athlete and their actions are the responsibility of his/her parent or guardian, or their designated responsible adult. If a student is to be the responsibility of an adult other than the parent or guardian, notification must be given in writing.

## ELIGIBILITY POLICY

Participation in extracurricular activities is strongly encouraged. The purpose of the Eligibility Policy is not to eliminate students from participation but to encourage students to work to the best of their ability. However, as some students need to be directed to take care of academics first, the following procedures regarding eligibility have been established:

1. Students are checked for eligibility at mid-quarter and quarter, for a total of 8 times each school year.
2. A student becomes ineligible to practice, participate, or play when any one of the following exists:
  - A. A student is failing one or more classes
  - B. A student has a D in one or more classes
  - C. A student receives an Incomplete
  - D. Discipline record supports it

A teacher initiated improvement plan will be developed for the student on probation. Included in that plan could be:

- After school resource
- Project work
- Tutoring
- Assignment check in
- Conference with parents

3. The ineligibility period is as follows:
  - 5 days from the Monday after the date of issuance (applies on incompletes and mid-quarter checks)
  - 10 days from the Monday after the date of issuance (applies on quarter report cards)
4. The ineligibility period remains in effect until the 5 or 10-day window is complete and work reaches a satisfactory level, as listed above.
5. A student who remains ineligible for five consecutive weeks may be dropped from the team, squad, or group.
6. An ineligible student may not participate in extra-curricular activities or in school-sponsored events including, but not limited to, athletics, Oracle, Student Council activities, drama, clubs, and out-of-school competition.
7. Parents sign ineligibility slips and students return them to the Assistant Principal. Students not returning a signed slip will remain ineligible beyond the 5 or 10-day window and will be referred to the Principal.

## Participation Guidelines

1. Any student participating in a St. Peter sport must complete an athletic registration found on the St. Peter website, a signed commitment / consent form made available through the athletic office, and a concussion information sign-off form.
2. Any student who is absent more than two hours of a school day does not receive credit for a full day of school. Students must have credit for a whole day of school to participate in their sport that day. (Excused absences would include medical appointments, school-related activities, and family emergencies.) Students who leave school for illness may not participate in school sponsored activities the remainder of the day. In the best interest of a student's health, a student who is absent from school for more than half of the school day due to illness or goes home due to illness, is not allowed to attend or participate in any athletic competition, practice, or school-sponsored activity the same afternoon or evening.
3. Students who are medically excused from participation in their physical education classes or choose not to participate will therefore be excused from all practices and athletic contests and will not be allowed to participate.
4. Dual Participation in one season is permitted at the discretion of the Athletic Director and parent/guardian of the athlete. Students are expected to fully participate in all practices and games unless exceptions have been made. Games or meets take priority over the practice of the other sport in situations where the schedule overlaps.
5. School cell phone and technology policies are to be followed at all school sponsored practices and games. Cell phones are not allowed in the locker rooms.
6. Students may elect to serve as a manager on a team if they do not want to physically participate. Managers are expected to sign a commitment form and are eligible to receive recognition outlined by the awards program.

### Basketball & Volleyball Participation

1. At the fifth and sixth grade levels all attempts will be made to give every interested student a spot on a team. There is a strong emphasis on player participation and playing time will be closely monitored to ensure everyone has the opportunity to compete.
2. The athletic program follows a **"No Cut – Competitive"** Philosophy for Varsity Level (7/8) sports. Depending on the number of participants in a given year, the coaches and athletic department will utilize **"Evaluation Days"** to place participants on teams that appropriately meet their ability levels. Equal playing time during games or throughout the season is not guaranteed on a Varsity level team.
3. When appropriate, student-athletes from lower grades may be moved up to Varsity level teams.
4. If necessary, players may be moved to a different team to meet roster needs. Decisions to move a player will be made at the discretion of the Athletic Director and the involved coaches. Parent consent will also be utilized in these situations.
5. At all levels, players will be held accountable to the player expectations they agreed to by signing the Athletic Commitment and Consent form. Playing time during games is not guaranteed to those who do not regularly attend practice and abide by these guidelines.

## AWARDS PROGRAM

The athletic awards program is a process whereby students who participate in athletics earn awards for their participation and achievement in athletics. These awards are presented at the end of the year athletic banquet and graduation ceremonies. The following awards are presented:

### SPORT PARTICIPATION AWARDS

Pins are awarded to athletes for participation in a complete season in each sport. If an athlete's participation falls below 50%, this award will be given at the discretion of the coach and athletic director.

Pins are meant to be collected on a "SP" letter badge or St. Peter Pennant which is presented upon completion of the first season of any sport or extracurricular activity.

Pins are also awarded for participation in band, choir, jazz band, drama, SOS & Oracle.

At the end of the eighth grade year, four special awards are given to recognize academic and athletic achievement:

Booster Club Scholar Athlete Awards – The St. Peter Booster Club presents these awards to two 8<sup>th</sup> grade student-athletes (male and female) who have demonstrated excellence through their athletic participation and academic accomplishments while they were in middle school. A combination of academic rank and number of sports seasons completed in 6<sup>th</sup> – 8<sup>th</sup> grade is used to calculate results.

Judy Satikas Memorial Athletic Award & Fred D. Martin Athletic Award – These awards are given out annually to an 8<sup>th</sup> grade Boy (FM) and Girl (JS) who are outstanding participants in the St. Peter Athletic Program. Athletes are nominated by coaches throughout their 8<sup>th</sup> grade year and are chosen by the athletic director and school administration. Nominees should demonstrate strong moral character, leadership, dedication, and excellence in their athletic participation, academic performance, and interaction with the whole school community

**Judy Satikas** – This award is given each year in memory of Judy who was a Saints student-athlete who competed in cross country, basketball and track and field. She was the 1975 Mid-Suburban Middle School Athletic Conference Track & Field Champion in Long Jump. Judy tragically died in college and the award was named in her honor starting in 1985.

**Fred D. Martin** – This award is given annually in honor of Mr. Martin who was the athletic director at St. Peter from 1963 to 1992. Many of the current traditions of St. Peter athletics originated under his leadership and he was instrumental in the founding of the Mid-Suburban Middle School Athletic Conference.
