TERRIFIC ART

Hi Art Families, Your students are working hard finishing up numerous great art projects. Look for some new first grade ceramic art in the Bartz Hall showcase next month, and some new colorful paintings in the cafeteria and outside the upstairs classroom walls. Lots of new art posted on Artsonia gallery as well this month! Many of you have shared with me how much you are enjoying your student's art on the gallery. It is a great way to enjoy the art and the progress your student is making in his or her skill level as they grow!! We are still in need of newspaper, so if you can hold onto some of the left over editions and get them to school, we will use it all!!

SCHOLARSHIPS FOR FAMILIES IN NEED

Did you know that 76 St. Peter students will receive some amount of scholarship aid this school year? Through generous contributions from people like you, many families are able to experience the high-quality Christian education St. Peter offers who wouldn't otherwise be able to! We have two ways this year that you can support this effort:

Saints Scholarship Challenge - We're launching our annual Saints Scholarship Challenge this weekend, with the hope of each gift being matched dollar for dollar by our Foundation, up to \$25,000. To give online, go to:

<http://fulllifeinchrist.org/scholarships>.

Tax Credit Scholarship Program - Another way to contribute to scholarships is through the new tax credit scholarship program in Illinois, which allows you to direct scholarship gifts to St. Peter and receive a tax credit on your state income taxes. To learn more and donate through this program, visit:

Thanks for your generosity in helping families attend St. Peter!
