

RESTORE

Grief is individual. Every child, and even members of the same family will feel, think and respond differently to a loss. Feelings of loss are often so heavy, it takes two people to carry them..."Come to Me all you who are weary and burdened, and I will give you rest." RESTORE gives students experiencing a loss such as a death, divorce, job change, or illness the opportunity to relate and empathize with other children who are also experiencing losses. RESTORE honors the pain that comes with loss while empowering students to discover new possibilities within themselves, moving into a season of renewal, growth, and restoration of spirit.
